BEST CANNABIS COMPANIES TO WORK FOR

What is this?

The Best Cannabis Companies To Work For is a survey and awards program that honors employers in the cannabis industry that are making their workplaces great. This is a project of *Cannabis Business Times* in partnership with Workforce Research Group.

What's the process like?

A two-part survey is conducted to get a thorough assessment of each employer.

- Part 1 consists of an Employer Assessment where we capture details about policies and practices.
- Part 2 consists of the Employee Feedback Survey where we capture employees' opinions about their workplace experience.

Employee surveys can be conducted via online or paper survey methodologies.

Both the employer and employee data sets are combined to determine the best workplaces.
